

SOUMYA ROY

PERSONAL PROFILE

I am an energetic, ambitious person who has developed a mature and responsible approach to any task that I undertake, or situation that I am presented with. I am seeking for internship in your company where I can learn latest technologies to enhance my technical skills. Also I would like to gather enough experience on new technologies and processes, so that in future I can utilize this and build my brightest future.

PROJECTS

- **Discord bot**

[a inspirational bot made by using python which will inspire the user with motivational quotes]

- **Optimal Tour Planning in Electric Vehicle System**

[implemented a mathematical model which will help to find the shortest path and energy consumption will be less.]
